---

## Experience

### Front End Intern

TechOps • Nairobi, Kenya

09/2023 - 01/2024

- Designed and developed complex client side applications.
  - I gained valuable experience in troubleshooting and debugging code, helping to identify and resolve issues to improve the overall functionality and user experience of web applications.
  - Through hands-on practice and guidance from mentors, I developed a systematic approach to problem-solving, enhancing my ability to tackle coding challenges efficiently.
-
